

VENTED SKIMMER BASKET

VSB-1, VSB-2, VSB-3

The patented* Vented Skimmer Basket solves three potentially serious problems for the swimming pool owner by providing an above water handle that also serves to prevent skimmer blockage caused by a full basket of debris.

- ◆ Above water handle prevents contact with items in the basket (frogs, snakes, slimy leaves, bugs, etc.).
- ◆ Vent prevents pump cavitation due to an overfull basket.
- ◆ Vent prevents broken baskets due to an overfull basket.

VSB-1 ~ \$35.60 Fits several skimmer brands including Swim Quip, American Products (flap weir style), Pac Fab, Jacuzzi Deckmate, Hayward 1070 and others.

VSB-2 ~ \$35.60 Fits Hayward 1080

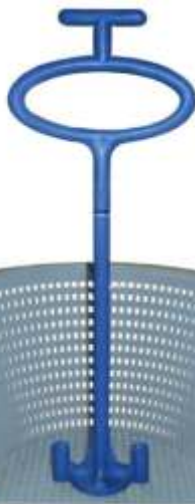

VSB-3 ~ \$35.60 Fits Baker Hudro.

* The Vented Skimmer Basket is manufactured and patented by GVT, Inc. Patent No. 583050

SKIMMER BASKET HANDLE

Economical way to combat frogs, snakes, bugs and worse - they all find a way into the skimmer basket. The Skimmer Basket Handle allows you to remove a basket without ever getting your hands wet, avoiding the critters, even the ones you can't see.

- ◆ Stays on the basket so its always there when you need it.
- ◆ Installs in minutes to any skimmer basket using 2 included screws.
- ◆ Handle sits above the waterline and below the skimmer lid.
- ◆ Weighted plastic sinks the basket.
